

Town of Pawlet
Board of Listers

October 16, 2013 Meeting

Meeting called to order at 10:00 AM

Present: Charles Mason, Karen Folger, Elaine Decker

The minutes of the last meeting were approved as written.

We discussed the Select Board meeting held 10-15-13. The board would like prices on computer servers and a new computer to replace the computer and server that are connected, that Karen uses.

The decision was made to stay with ProVal and hire Jim Boyle as consultant.

Also, new inspections that we do for 2014 will be done as re-appraisal unless there is a major dwelling or barn inspection, which will be done just as a reinspection.

We will talk about our new budget for 2014-15. We hope to present it to the Select Board soon.

Meeting adjourned at 10:45.

Respectfully submitted,

Elaine Decker, Clerk
