Item 1

Review Vermont Land Trust request

Vermont Land Trust (VLT) has requested a determination from the PPC as to whether Tim and Dot Leach's conservation project is consistent with the Pawlet Town Plan. Because the PPC had asked for early notification of such requests, VLT had sent its request letter on 11/7/11. The letter never got to the PPC until now, so there needs to be a quick turnaround on the determination. However, the PPC does not have a quorum tonight. Fred will contact Town Attorney John Thrasher on Friday, December 30, to find out how to handle this.

Meeting adjourned 8:00 pm.

The next meeting will be held on Monday, January 23.

Respectfully submitted,
Jacki Lappen, Pawlet Planning Commission Clerk
