Reviewed minutes from 4-1-2014. Sarah made motion accept as corrected. Chuck second. Motion carried. Voted and Approved.

Bob Morlino discussed the update for the local emergency operations plan. Will leave the Selectboard copies for review. Consensus of the board is to have Bob set up a training for the ICS 402 with the Selectboard.

Bob Morlino wants people to let him know of any flooding in the area.

Bob Morlino reported that he will be seeking Red Cross status for a second shelter at the Mettawee Community School. This will in no way impact the Red Cross status of our existing shelter at the WPF, it will simply expand available shelter space in the town, and offer a second locale that might prove more accessible for some citizens depending on the emergency event (for instance, if flooding has cut off access to the WPF from certain points in town).

Had review of Table top exercise last night. Need to get more people in the emergency management team. Looking for 3 or 4 more people to get trained.

Jim Donovan presented a map for the board to look at regarding the bicycle pathway. Map showed the area and alternate routes instead of Rt 30. He will let us know of a date for the meeting they will have in the town of Wells to review.

Adelle talked to the board about the library board. Janno Gay was a write in. Library board received a letter from Rebecca Hulett for a position on the Library Board. It will be for a 3 year term. Deck made motion to appoint Rebecca for the board until the next election. Sarah second. Motion carried. Voted and Approved.

Deck made motion to sign liquor license for the Barn Restaurant & Tavern. Chuck second. Motion carried. Voted and approved.

Sarah made motion to approve Mach's Store liquor and tobacco license. Chuck second. Motion carried. Voted an approved.
