Library board discussed where the funds were coming from to pay the assistant. The VT Community Foundation has some funds available for the Library.

Bob Morlino (Emergency Management Director) explained to the board that the base stations of both Fire Departments cannot reach across town and thereby Pawlet does not have a Town wide frequency for large scale emergencies. This problem can be alleviated by putting in a repeater station in between West Pawlet and the Eastern side of town. Bob asked for permission to apply for a grant for a repeater station to be placed at the gravel pit at butternut bend. Chuck made motion to allow Bob to start the preliminary grant application for a radio repeater to be installed in the gravel pit for the emergency management and highway. Deck second. Motion carried. Voted and approved.

Sue discussed the town hall auditorium use. She wants to see about working on the different pricing for the use of the upstairs. She will get together with Sarah and discuss.

Judy discussed the tax rates. Chuck made motion to set tax rates for fiscal 2015 for resident of Pawlet to 1.6045 and nonresident to 1.7766. Deck second. Motion carried. Voted and approved.
