Bob Jones  
Mike Beecher

Others in Attendance:

Jay Lubeck  
Kane Smart  
Adelle Seamans  
Beth Kashner  
Glen Munson  
Keith Mason  
James Glick

Meeting called to order at 7:10

Reviewed minutes from 5-28-13. Chuck made motion to accept motion to accept minutes. Bob Second. Motion carried.

Kane Smart discussed the VTEL wireless project that they would like to go up on Briar Hill. Bob made motion to support VTELS Pole -Based Wireless Facility. Chuck second. Motion carried.

Beth talked about the bat stuff at the library. Gave the board information from Jason Sankey who came and looked at the library and suggested that they should get it cleaned up as it is all over the attic in the library. She will contact Jason Sankey and see how much the estimate was and get back to the board.

Jay discussed that the door on the back of library has not been repaired. Chuck will get a hold of Stan and see when he can get there to fix it.

Keith talked about how Bill Leach called and has some concerns that with the ditching the town is doing and has concerns about how he will mow it. He also has some concerns that there are road signs are missing.

The Town is working on Betts Bridge now.

Reviewed Town Clerks memo

Reviewed Town Treasurers memo

Mike was approached by Tim Chimelski regarding Cindy Leggs property questioning the possibility of a variance from local waste water. Board not in favor.

Meeting adjourned @ 9:40

Respectfully submitted

Kim Ayers, Selectboard Clerk
