Discussion with Bob Morlino about being the Emergency Management Coordinator. He will think about the position and get back to the board on his decision.

Adelle discussed that they have bids on the library floor. Decide to go with Bob Santose as he had the best references and prices. They can only do the resource room at this point since they only have limited funding at this time. Eve also wanted to talk to the board about using the towns bulk mailing system so they can send out mailings for the library. Consensus of board is they have no problem with them using the towns mailing system but to check with Deb or Judy.

Ken Cleveland wanted to know when the west side of the Waite Hill Rd will be graded as the road has a lot of potholes. Deck will talk to Keith about the schedule on grading. Also he wanted to know about the town trucks sitting out when there is 2 garages they could be in. Deck and Joe will talk to Keith about the issue.

Elizabeth Gibson wanted to get information for the town newsletter.

Reviewed the Town Clerks memo.

Eric Mach will not be getting the town green done this fall, he will plan on getting it done in the spring.
