¹ Essential purpose travel includes travel required for food, beverage or medicine; medical care; care of others; and to perform work, services or functions deemed critical to public health and safety and economic and national security.

² Recovery is when all three have happened:

1. It's been three full days of no fever without the use of fever-reducing medication, and
2. Other symptoms have improved, and
3. At least seven days have passed since any symptoms appeared.

³ For close contacts: 14 days since the day you were last in close contact with the person with COVID-19.

For returning travelers: 14 days since you were last outside of Vermont. Day 0 is the day of possible exposure.
