Principal's Corner:

I am writing to tell you more about the positive COVID case that was in our school before Thanksgiving break. It is important to let you know that the person only had mild symptoms and is currently healthy. I also thought it was important to share that all the staff that were considered close contacts and the students who chose to be tested had negative COVID results. Thank you for partnership as we navigated this challenging time together.

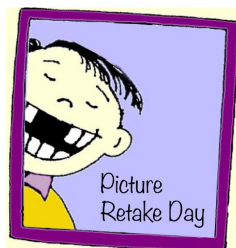

*Thank you for
your support!*

MASKS UP

COVID-19 numbers are rising and in an effort to keep everyone safe, and our schools open, we ask that everyone be wearing their mask when they pick up learning packets on Mondays and whenever approaching the school entrance at drop off or pick up. We have to do whatever it takes to keep everyone healthy and safe. Mask up as soon as you enter the parking lot is a good rule of thumb! Thank you for your cooperation.

Picture retake day
is **DECEMBER 7th!**

Don't forget to bring the original picture packet back if you would like your child to have their picture retaken.

Distant Learning students should come between 10:30-11:30 to get their pictures retaken if you would like them done.

~ WREATH PICK UP ~

We had so many greenery orders that it's taking longer than expected to get our complete order together. Sorry for the inconvenience but wreaths, centerpieces, kissing balls, and cemetery cones will not be ready by tomorrow. We will let you know when we have a new pick up date.

COVID SCREENING SHEETS

Please be sure you are using the newest
white screening sheet that asks the
question, "Has your child attended any
multi-household gatherings that require
quarantine?". We are hoping this question
will be a temporary order until mid
December.

We can no longer accept the blue or
yellow screening sheets. If your child
comes in with the blue or yellow sheet we
will need to call home before we can let
your child head down to the classroom.
Thank you so much for your patience and
cooperation with the home screenings. We
are all doing our best to keep up with the
safety orders and we couldn't do it
without you!

Please remember to bring
boots, hats, mittens, and
winter coats to school each
and every day!

We have been spending lots of
time on the Merck land next door so be sure to
do tick checks at home!

December 1st and still so beautiful we
can have Art Class outside! Nothing
better than fresh air and sunshine to
inspire some creativity.

December 23rd-January 1st - Holiday Recess
