

Pawlet Emergency Management Director

Monthly Report

June 2021

- A Covid-19 vaccine clinic was held in Pawlet on June 11 at the Pawlet Vol. Fire Department firehouse from 4:00 pm to 6:00 pm. We had 19 people receive the J&J vaccine. The Rutland Free Clinic sponsored the event and reported that this was the most successful clinic they have had to date. Thanks to Jackie Becker for organizing the event and to the Pawlet Vol. Fire Department for the use of the building.
- With the cancellation of the health emergency by Governor Scott, Pawlet Emergency Management has discontinued the daily Covid update. You may continue to follow any updates by going to the Vermont Department of Health website.
