## Principal's Corner:

### Pick Up Time

We dismiss our students at 2:30. If you are choosing to pick up your child from school please arrive between 2:30 and 2:45. Our dismissal is quick and students should leave by 2:45. If you are running late, please call the school to let us know. We are noticing late arrivals close to 3:00, please try your best to pick up on time.

### SBAC Update

Thank you all for your support in getting your child to school for the Math and ELA SBAC tests. The majority of our students finished the SBAC testing today. There will be a few make ups scheduled for tomorrow. If your child missed more than one day last week or this week, they will need to make up the test sessions after break. We will not be testing on the Monday after break. We will try our best to get all the tests finished by Friday, April 29th.

### Spring Break

I hope all of you will be able to relax and enjoy some family time over spring break. Thank you for your continued support throughout the year. After break we will be sending out our end of the year dates so you can plan ahead.

April 18th - April 22nd  
Enjoy your time off!

## Proper Clothing Reminder

Please be sure that your children come to school  
prepared for outdoor adventures in the  
meadows, in the woods, and on the playground.

Sometimes it's cold, sometimes it's muddy,  
sometimes it's wet.

Kids should have boots,  
coats, and comfortable  
clothing. **On that note:**  
time to do a tick check  
at the end of every day!

## Summer Camps

Summer Camp flyers  
are rolling in! To keep  
things organized and  
the Messenger packet

a reasonable size, we will begin sending  
Summer Camp flyers in a separate email  
called "Summer Camps", that way you will  
have all summer options in one place to  
cross reference dates and times. New  
flyers will be in the front followed by  
flyers from previous weeks.

**ALL 50 STATES  
and over a dozen countries!**

Congratulations on gathering postcards from around the world and reaching your goal of collecting all 50 states.

Unicorn Day last Friday was the best way to end a week of Math SBAC testing!

The After School Program kids were lucky enough to see last week's **RAINBOW** that brilliantly arched across the horizon.

The background of the poster is a vibrant tropical pattern. It features several black and white toucans perched on branches, surrounded by large green palm fronds, bright red hibiscus flowers, and yellow pineapples. The entire scene is set against a deep teal background. In the center, there is a large, rounded yellow rectangle that serves as a backdrop for the event details.
