EVENT

1. Introduction and welcome by Devon Neary of the RRPC, and Nicole Fox from Fuss & O'Neill at 7:05pm
2. Nicole Fox reintroduced the focus of the Pedestrian Accessibility Scoping Study to the public body, reiterating the topics covered during December's meeting, emphasizing the impressive amount of

community feedback received. The presentation continued to offer three alternatives, including design, a full cost analysis, and funding options for each.

- a. Conversation, including public comments and questions, ensued regarding the three alternatives outlined.
3. Nicole Fox discussed future priorities and next steps.
4. Meeting adjourned at 8:13pm.
