Principal's Corner: Mettawee Music

A big shout out goes to Lisa Hoyt for creating such a successful music program at Mettawee. The spring concert was a wonderful night where we could see our talented students perform. I loved seeing the smiles and joy on their faces as they played their instruments and sang songs. Thank you to all the staff who helped out to make this night possible.

I-ready

You will see your child's i-ready results in this week's Big Blue folder. We are pleased that many of our students showed growth from the fall to the spring in both math and reading. Please continue to have your child read, write and practice their math skills over the summer. The students have worked hard this year and we do not want them to lose their skills during their summer break.

Thank You So Much

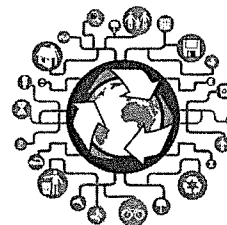

I wanted to take this opportunity to thank all of you for making this year so successful! I truly

enjoy being the leader of such an exceptional school. Mettawee is such a phenomenal place, because of the committed staff, amazing parents, and talented students. It has been a pleasure working with all of you and I am looking forward to working with you again next year. Thank you for all your encouraging words, positive insight, and continued involvement within our school. I hope all of you have a safe and relaxing summer vacation!

Save the Turtles

The 5th grade classes are learning about Sea Turtles. Students, Emma Graf and Mateo Farmer, have decided to start a fundraiser to help save the turtles from extinction. Seaturtle.org will be given all the proceeds from this fundraiser. The donation box will be in the front lobby for one week.

The Last Day of School is Thursday, June 16th and we will dismiss at 12:30.

You will not need to pack a lunch for your child on Thursday - we will be having an all school picnic! If you are an adult who plans on coming for the picnic feel free to bring a blanket or a lawn chair!

All are welcome to join us on June 15th at 6:30 to celebrate our 2022 Graduates.

Senior Walk 2022

This afternoon we welcomed the 2022 high school graduates, in their colorful caps and gowns, to walk the Mettawee halls to Pomp and Circumstance for our students and staff to celebrate their accomplishments!

**Congratulations class of 2022!
We are so proud of you.**

FIELD DAY

Many thank you's are in order for the success of Field Day.

Thank you to the local Fire Department for coming to teach us about fire safety and for using their hoses to provide us with a sprinkler. Also, thank you to the Modern Woodmen of Wells for the use of the dunk tank - and to all the brave volunteer teachers who put themselves in the seat to be plunged at the hands of our students! A huge thank you to Mrs. Webb for all the planning, set up and clean up and to all the teachers and staff who helped run games and activities. Field Day is a huge group effort and everyone had a blast!

GIORGETTI/PINE HILL PARK

Join us as we build community and raise awareness for perinatal mood and anxiety disorders. We will gather to raise money and awareness, and walk together to symbolize our 'Climb' Out of the Darkness. This event is held in partnership with Building Bright Futures' "Just Play, No Way!" event, which celebrates the benefits of play by offering a variety of fun, hands-on learning activities for kids.

music · games · kids activities · guest speakers

There will be activities for kids featuring lots of creative hands-on learning. Community resource information will also be available from local organizations and businesses. Families and community members are encouraged to attend. The good folks from Come Alive Outside will be joining us as well!
