Volunteers

Thank you to all of our volunteers! Our school would not be as successful without all of you. It gives me great pleasure acknowledging all the time and energy you have put into making this school year so successful. You are an important part of our school and our students are succeeding with your support. We have had volunteers in our school this year reading, teaching, coaching, helping, listening, leading science and nature activities and being here to support our school community. It means so much to our students and staff to have you here and it creates the positive community that we want our children to grow up in.

"Volunteers do not necessarily have the time; they just have the heart."

~Elizabeth Andrew

By volunteering you are being positive role models for all of our students at Mettawee. The time that you have given up to be here with us shows that you care. We are so fortunate to have you be a part of our community.

Heartfelt 
THANKS
TO OUR VOLUNTEERS!

Hello parents and guardians,

Your child is bringing home or has brought home the Come Alive Outside Summer Passport. Please see the information below on how it works.

2-minute introduction video – <https://youtu.be/qeagDA18uKs>

Key points:

- There are activities you can do at home, parks to visit, local food activities, and fun ways to explore your community.
- Your child can earn points for doing the activities and with 30 points can collect a prize from one of the prize centers.
 - Wild Kind Toys - Rutland
 - Poultney Public Library
 - Brandon Free Public Library
 - Gilbert Hart Library - Wallingford
- The program ends **September 9th** You have a little more than three months to do as many activities as you can.
- **Parents when you complete the survey** it will automatically enter your child into the **grand prize drawings**. You will find the link and QR code to the survey at the end of the passport book, as well as a list of the prizes.
- If your child's passport gets lost, there are digital and print and fold versions online at - <https://comealiveoutside.com/passports/>.
- The prize centers, Phoenix Books and Rutland Library also have some extra copies.

NEW this summer!

Every school that gets **25 parents** or more to complete the parent survey by September 9th will get a free Planet Pack delivered to the school by Bigfoot!

Have fun exploring your community and getting active outside!
