Report Cards

Our K-6 students at Mettawee will be receiving their report cards through your email today. Please look through the report card and share it with your child. Please ask your child's teacher if you have any questions. Our kindergarten report card only has art, music, and PE grades since they have received their detailed report card earlier this month. The report cards are another way for us to communicate with you on how your child is doing this year. Please let me know if you did not receive the report card in your email account. Thank you for all your hard work and support this year.

Community Engagement Night at Mettawee

We will be hosting a Community Engagement event on March 29th at 7:00 PM. The Mettawee School board members and some of our students would like to present information to you. The school board members would also like to hear from you about your hopes and dreams for the students. There will be an opportunity to share your thoughts and ideas at this meeting.

Open House

We will be hosting our Open House next week! It will be held on March 30th from 6:00 to 8:00. The students will be showing you their classrooms, projects, writing, math, reading, UA classes, art, bulletin boards and so much more. I am hoping to see all of you at this engaging night for our community where the students are proud to show you all of their hard work!
