Principal's Corner:

I wanted to announce that Margaret Donaldson, Emma Graf, Sophia LeVitre, and Eleanor Zimmerman were the first place winners of the Model Home Building Contest with the Bennington County Habitat for Humanity organization. These students had to use their creativity, hands on skills, problem solving techniques, and their ongoing collaboration to create such an amazing house. We shared their video at our last All-School Meeting. We are so proud of their hard work and dedication that they put into this detailed project.

Congratulations!
