1. Call to Order 7:39

2. Special Meeting Agenda: review candidates for 2 PPC board seats and one PPC board alternate member seat.

- Gary Baierlein was upset that this special meeting was warned without being agreed upon by the board. He felt it was rude to warn a meeting last minute without approval of the board. Nancy Morlino also noted that the special meeting was not agreed upon in the last meeting.
- Gary moved that Annie Nash be added to the list of recommendations to the selectboard, Mark Frost seconded, all approved. Mark made a motion to recommend Ed Evans, Gary seconded, all approved. Rik Sassa moved to recommend Leon Corey as an alternate, Gary seconded, all approved.
- Frank Nelson (as acting Chairperson) noted that Linda Lynton offered to attend the RRPC meetings in Rutland and report back to the board. Frank said that the recommendations as well as the other applicant's letter of interest will be sent to the Selectboard for their review and decision (the next night, Tuesday's Selectboard meeting). At the next regularly scheduled PPC meeting the board with its new members will elect positions to fill the vacant spots of Chairperson and Vice Chairperson.
- Frank asked for a moment of silence to honor John Sabotka who died a few days after the last PPC meeting in February from complications resulting from a fall on the ice. John and his presence on the board will be missed.
- Frank apologized for warning the meeting without consulting the board.

3. Public Comments

- None

4. Adjournment

- Gary moved to adjourn, Mark seconded, all approved. Adjourned at 8:00pm

Respectfully submitted, Rik Sassa Secretary/Clerk
